

SUBJECT INDEX

- Accidental. Suicidal and — intoxications 131
- Adynamia episodica hereditaria. Some aspects of the pathophysiology of — 167
- Alcoholics. The treatment of — 210
- Alcoholism. Recovery from — by treatment with Antabuse combined with social and personal counselling 212
- Anaemia. The diagnosis of latent megaloblastic — 32
- Antabuse. Recovery from alcoholism by treatment with — combined with social and personal counselling 212
- Atresia. Operative treatment of — of the oesophagus 18
- Barbituric acid poisoning. Treatment of acute — 137
- Benzodioxane. Hypertensive reaction following — in a case of pheochromocytoma 183
- Blindness. Traumatic — in Denmark 35
- Body weight. The relation between — and dosage of insulin in juvenile diabetes mellitus 228
- Brain abscess 260
- BZ 55. Death in connection with treatment with — 248
- Cancer of the lung. Prognosis in — 147
- of the rectum. Incidence and prognosis of — in a Danish provincial town 268
- of the stomach. The results of treatment of 37
- Carcinoid. Metastasizing — 237
- Carcinoma of the stomach 264
- Caudate nucleus. Cortical recruiting response and the — 166
- Causes. The — of disease 41
- Central nervous mechanisms in color visions 164
- Cerebral palsy. Etiological factors in — and their correlation with various clinical entities
- palsy. Orthopedic surgery in — 52
- palsy. The prognosis in — 58
- Childhood. Staphylococcal pneumonia in infancy and — 159
- Color visions. Central nervous mechanisms in — 164
- Communicating veins. Incompetent — of the lower leg 65
- Connective tissues. Malignant neoplasias of haemopoietic and — in various countries 73
- Danish physicians and the periodicals of the seventeenth and eighteenth centuries 200
- Death in connection with treatment with BZ 55 Denmark. The consumption of sleeping drugs in — 143
- . The Health System and medical profession in — 185
- . Mental health service planning in — 1
- . Traumatic blindness in — 35
- Diabetes mellitus. The relation between body weight and dosage of insulin in juvenile — 228
- Diphenylhydantoin and phenobarbital in serum in patients with epilepsy 160
- Disease. The causes of — 41
- Drugs. The consumption of sleeping — in Denmark 143
- Epilepsy. Diphenylhydantoin and phenobarbital in serum in patients with — 160
- Etiological factors in cerebral palsy and their correlation with various clinical entities 47
- Function and structure of a psychiatric receiving unit in a metropolitan area 129
- Ganglion cells. Physiological activity changes in the retinal — 72
- Gastrectomy. Radiological investigation following — 245
- Gerontological survey. A — 40
- Granulomatosis. Wegener's — 153
- Haemophilic. Presence of a thromboplastin inhibitor and plasminogen activator in the joint tissues of a — patient 242
- Health System. The — and the medical profession in Denmark 185
- Heart volumes. Incidence of premature deliveries among women with small — 234
- Heredity. The — of venous insufficiency 169
- Hydrocortisone. The plasma — level in normal subjects and during surgery 176
- Hypertensive reaction following Benzodioxane in a case of pheochromocytoma 183
- Hysterectomy. Induced hypotension for radical — 279
- Haemopoietic. Malignant neoplasias of — and connective tissues in various countries 73
- Incidence of premature deliveries among women with small heart volumes 234
- Induced hypotension for radical hysterectomy with pelvic lymph node dissection? 279
- Infancy. Staphylococcal pneumonia in — and childhood 159
- Influenza-like disease. Isolation of a new virus from a child with an — 157
- Insulin. The relation between body weight and dosage of — in juvenile diabetes mellitus 228
- Intoxications. Suicidal and accidental — 131
- Isolation of a new virus from a child with an influenza-like disease 157
- Joint. Presence of a thromboplastin inhibitor and plasminogen activator in the — tissues of a haemophilic patient 242
- Juvenile. The relation between body weight and dosage of insulin in — diabetes mellitus 228
- Leukocyte agglutinins. Febrile transfusion reactions in patients with — 178
- Lung. Prognosis in cancer of the — 147
- Malignant neoplasias of haemopoietic and connective tissues in various countries 73
- Medical profession. The Health System and the — in Denmark 185
- Megaloblastic anaemia. The diagnosis of latent — 32
- Mental health service planning in Denmark 1
- Metastasizing carcinoid 237
- Neoplasias. Malignant — of haemopoietic and connective tissues in various countries 73
- Ocular sarcoidosis 217
- Oesophagus. Operative treatment of atresia of the — 18
- Operative treatment of atresia of the oesophagus 18
- Orthopedic surgery in cerebral palsy 52

Papilloma. Smoking habits of patients with — of urinary bladder	123	Social and personal counselling. Recovery from alcoholism by treatment with Antabuse combined with —	212
Pathophysiology. Some aspects of the — of adynamia episodica hereditaria	167	Stomach. The results of treatment of cancer of the —	37
Periodicals. Danish physicians and the — of the seventeenth and eighteenth centuries	200	Staphylococcal pneumonia in infancy and childhood	159
Phenobarbital. Diphenylhydantion and — in serum in patients with epilepsy	160	Structure. Function and — of a psychiatric receiving unit in a metropolitan area	129
Pheochromocytoma. Hypertensive reaction following Benzodioxane in a case of —	183	Suicidal and accidental intoxications	131
Physicians. Danish — and the periodicals of the seventeenth and eighteenth centuries	200	Surgery in the senium	249
Plasma. The — hydrocortisone level in normal subjects and during surgery	176	— The plasma hydrocortisone level in normal subjects and during —	176
Plasminogen activator. Presence of a thromboplastin inhibitor and — in the joint tissues of a haemophilic patient	242	Tetanus treated in 1950 with decamethonium and positive-pressure ventilation	276
Pneumonia. Staphylococcal — in infancy and childhood	159	Thromboplastin inhibitor. Presence of a — and plasminogen activator in the joint tissues of a haemophilic patient	242
Poisoning. Treatment of acute barbituric acid — Premature deliveries. Incidence of — among women with small heart volumes	137	Transfusion reactions. Febrile — in patients with leukocyte agglutinins	178
Presacral and sacral tumours in children	25	Traumatic blindness in Denmark	35
Prognosis in cancer of the lung	147	Treatment of acute barbituric acid poisoning	137
— The — in cerebral palsy	58	Treatment. The — of alcoholics	210
Psychiatric receiving unit. Function and structure of a — in a metropolitan area	129	— Death in connection with — with BZ 55	248
Radiological investigation following gastrectomy	245	— Recovery from alcoholism by — with Antabuse combined with social and personal counselling	212
Recovery from alcoholism by treatment with Antabuse combined with social and personal counselling	212	— The results of — of cancer of the stomach	37
Recruiting. Cortical — response and the caudate nucleus	166	Tumours. Presacral and sacral — in children	25
Retinal ganglion cells. Physiological activity changes in the —	72	Ulcer cruris venosum. Surgical treatment of —	272
Sacral. Presacral and — tumours in children	25	Urinary bladder. Smoking habits of patients with papilloma of —	123
Sarcoidosis. Ocular —	217	Veins. Incompetent communicating — of the lower leg	65
Senium. Surgery in the —	249	Venous insufficiency. The heredity of —	169
Sleeping drugs. The consumption of — in Denmark	143	Ventilation. Tetanus treated with positive-pressure	276
Smoking habits of patients with papilloma of urinary bladder	123	Virus. Isolation of a new — from a child with an influenza-like disease	157
		Wegener's Granulomatosis	153

INDEX OF AUTHORS

Amdrup, Erik	245,	249	Kringelbach, Jørgen	159
Andersen, Erik Wainø		276	Køster, K. H.	249
Andreassen, Mogens		264		
Arnoldi, Carl C.	65, 169,	272	Lennox, Margaret A.	164
Astrup, Tage		242	Lockwood, Knud	123
			Louw, Asger	137
Backer, K. H.		185		
Balslev Jørgensen, J.	37,	245	Magnus, Preben von	157
Bech, Knud		72	Mortens, J.	52
Birkum Petersen, Knud		157	Mosfeldt Laursen, A.	166
Blixenkroné-Møller, N.		268	Munthe Fog, C. V.	260
Boesen, Ib		234	Myschetzky, A.	131
Bondo, Jørgen		248	Møller, H.	52
Brandt, S.		47		
Bro-Rasmussen, F.		176	Nielsen, Arne	123
Bruntse, E.		217		
Buchthal, Fritz	161,	167	Plum, P.	58
Buus, Ole		176	Poulsen, Henning	248
			Poulsen, H. E.	237
Clemmesen, Johannes	73,	123		
			Rostgaard Christensen, Erik	25
Dyrberg, V.		279	Rudfeld, Kirsten	212
Engbak, Lise		167	Schiller, Poul J.	161
Engell, H. C.		176	Sjolin, Knud-Erik	242
Erling, Inge		153	Snorrason, E.	200
			Strömngren, Erik	1
Fabrieius, J.		237	Søeborg Ohlsen, A.	32
Fog, Mogens		41	Sønder, Palle	249
Friedberg, Richard		40	Sørensen, Jens	73
Friis, Th.		32		
			Venge, Ib	210
Gamstorp, Ingrid		167	Wagner, Frederik F.	129
Gertz, Tyge Cl.		18	Warburg, Mette	35
Gudbjerg, C. E.		234	Westergaard-Nielsen, V.	47
			Winge, Jørgen	159
Halkier, Erik		249	Winge, Knud	147
Hamtoft, Henry	40,	143	Winkel Smith, C. C.	18
Hjorth, Povl		245	Winkler, K.	183
Jensen, Klaus		237	Yde, Alf	210
Johansen, S. H.		279		
			Zachariae, F.	249
Kiilmann, Sven-Åge		178	Zachau-Christiansen, B.	228
Korsgaard Christensen, L.		32	Østergaard Kristensen, H. P.	32
